

A photograph showing a person in a dark wetsuit paddling a white racing canoe on a calm lake. The background shows a green shoreline with trees under a clear sky.

Racing Skills Day at Reading Canoe Club 13th January 2018 08:00 to 16:00

Racing skills looks to bring coaches, athletes and parents together to share knowledge and to allow those to be better informed to aid the growth of the young paddler in a fun and inventive way.

Racing skills is open to those coaches, parents and athletes who wish to compete in racing kayaking or canoeing. It will mostly be aimed at U13 upwards.

Athletes must bring their own boat and paddling equipment.

Please register your place by 12 noon on Thursday 11 January 2018 using the [Online Registration Form](#)

The day will focus on the fun elements, education and skill, creating a well-rounded yet developed athletic athlete.

There will be open forums and workshops for all lead by the club coaches involving the Talent Coach Development Manager and Talent Pathway Manager to help increase the club coaches and athletes' experiences and knowledge.
