

A photograph showing several people in orange and black gear standing on a riverbank next to several kayaks. One person is holding a long yellow kayak.

**Racing Skills Day**  
**at**  
**Worcester Canoe Club**  
**17<sup>th</sup> March 2018**  
**08:00 to 16:00**

**Racing skills looks to bring coaches, athletes and parents together to share knowledge and to allow those to be better informed to aid the growth of the young paddler in a fun and inventive way.**

Racing skills is open to those coaches, parents and athletes who wish to compete in racing kayaking or canoeing. The day will be aimed at athletes aged 12-18 years.

Athletes must bring their own racing K1 or C1 boat and paddling equipment.

Please register your place by 12 noon on Tuesday 13<sup>th</sup> March 2018 using the [Online Registration Form](#)

The day will focus on the fun elements, education and skill, creating a well-rounded yet developed athletic athlete.

The theme of the day will be 'Training Zones', there will be open forums and workshops for all lead by the club coaches involving the Talent Coach Development Manager and Talent Pathway Manager to help increase the club coaches and athletes' experiences and knowledge.
