**Athletes can find supporting information relating to this policy [here](#).**

**Athletes wishing to contact the IP in relation to the relevant provisions in this policy should do so via email to [enquiries.internationalpanel@britishcanoeing.org.uk](mailto:enquiries.internationalpanel@britishcanoeing.org.uk)**

## SECTION A: PURPOSE AND PRINCIPLES

### 1. Purpose

The purpose of the Canoe Sprint selection policy is to clearly outline the processes which will lead to the selection of the GBR Canoe Sprint Teams for all 2022 international events named within this policy. It also aims to support the longer-term goals of the sprint strategy to 2024 and 2028.

### 2. Principles

- 2.1. The primary focus of National Team Selection will be to optimise performance in targeted Olympic events.
- 2.2. The Selection Policy seeks to select the best athletes in a transparent way that prioritises optimal preparation time for achievement of international success.
- 2.3. Selection will be based on results in selection races together and subject to an assessment of performance standards.
- 2.4. Selection will support and encourage choice for athletes.
- 2.5. The Selection Policy provides opportunities to use unfilled event places for development opportunities.

## SECTION B. ELIGIBILITY AND PERFORMANCE STANDARDS

### 3. Eligibility

- 3.1. To be eligible to be selected to any 2022 GBR Team, athletes/crews must meet the following conditions (full detail can be found in British Canoeing's [Eligibility Policy](#)):
  - 3.1.1. Meet age and nationality criteria for international competitions as outlined below
  - 3.1.2. Be a full member of British Canoeing or Home Nation Association that enables participation in competition
  - 3.1.3. Athletes on a funded programme need to have signed their Programme Athlete Agreement. Athletes outside Programme funding will also be expected to sign up to the British Canoeing Great Britain Team participation agreement on accepting selection at least two weeks before travelling to the first competition and settle any outstanding payments prior to travel.
- 3.2. All eligible athletes will be considered equally for selection against the stated selection criteria regardless of club, training location, age, Home Nation and programme status.

### 4. International Eligibility

- 4.1. Selection will be subject to eligibility in accordance with competition rules laid down by the International Canoe Federation (ICF) and the European Canoe Association (ECA).
  - 4.1.1. The first year a junior can compete at World and European Senior/U23/Junior Championships is the year of their 15<sup>th</sup> birthday.
  - 4.1.2. The last year a junior can compete in a junior category is the year of their 18<sup>th</sup> birthday.
- 4.2. Where athletes compete in more than one eligible selection event, the policy will be applied in isolation for each specific event.
- 4.3. British Canoeing reserves the right to deselect an athlete who has been found guilty of a disciplinary offence under British Canoeing/ICF rules. This includes doping offences.

### 5. Performance Standards

The International Panel (IP), at its sole discretion, may apply a performance standard for all selections under this policy to ensure athletes/crews are of the appropriate level for the competition they are being considered for. The performance standard will typically be based on an agreed percentage of the World Leading Time (the average of the best 40 times recorded in that event at international level competition).

## SECTION C: GREAT BRITAIN SPRINT JUNIOR TEAM SELECTION 2022

### 6. Junior Team Selection Overview

- 6.1. - 6.2. The stand-alone selection point for the European Championships and World Championships allows athletes to prepare for this without the constraint of a multi-point selection.
- 6.3. Team Selection for all events will be based on either pre-selection or performances in the identified selection regattas.

  - 10.1.1. Medical grounds – i.e. when an injury/illness may, in the reasonable opinion of the IP, inhibit the achievement of appropriate performance; or
  - 10.1.2. Suitability as a team member, where for example (but not limited to) an athlete's behaviour or attitude leads the IP to determine in its opinion that the selection of such athlete would be inappropriate; or

- 10.3. Following the selection of a crew boat to the European Championships or World Championships, the British Canoeing Under 23 Head Coach must propose any changes to the composition of the crew due to injury, illness, poor performance or other circumstance to the IP who will consider the circumstances and determine an appropriate process to follow.
